WHAT WE ARE: **COOL CATS & Cowboy Hats**

wants to custom design your special occasion with the music you want to hear!

The music for your special occasion deserves a touch of you! If there's a song you want to hear, we will play it for you!

COOL CATS & Cowboy Hats is with you 100% of the way through the music performance date. Not only are we always accessible by phone, e-mail and other medias, we will also send you a "Performance Particulars" Packet, which allows you to plan the event for **COOL CATS & Cowboy Hats**. This is one way we can be with you through the last song of our performance. We want to make your special occasion is a time that everyone will enjoy and remember!

THE OWNER:

KELLY KNEDLER, owner & announcer for **COOL CATS & Cowboy Hats** is a Disc Jockey that offers something that very few other "Jockeys" can; he holds a Master and a Bachelor degree in Music. Kelly, whose philosophy is that of "competent musical entertainment," believes that a Disc Jockey's knowledge of his or her music repertory combined with an exciting "stage presence" is of utmost importance to a music disc jockey service. Drawing from what he has learned in the past 40+ years in music from 28 years of teaching choral music and musical theatre to owning a country band to singing opera throughout the Midwest, Kelly has created a music disc jockey service to entertain people like you...
